### Did You Know?

President's Day never falls on the actual birthday of any American president. Four chief executives —George Washington, William Henry Harrison, Abraham Lincoln and Ronald Reagan were born in February, but their birthdays all come either too early or late to coincide with Presidents' Day, which is always celebrated on the third Monday of the month.

# New Boston's FIRST BAPTIST CHURCH

WELCOME  
TO WORSHIP

February 19, 2023

**W**e are glad you made the choice to be here at New Boston's First Baptist Church today. Our prayer for you is to experience God's grace in such an amazing way you'll talk about it all week. In fact, helping others discover how to love God and love people is why we are here! Let us know how we can help you on your journey.

And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near.
